## 1000 ASKED TO EAT

**$5.00 A PLATE DIDN'T KEEP DEMOCRATS AWAY FROM BANQUET.**

## 'TEAMWORK' WAS WANTED

**Van Cleve's Interesting Review of the Political Situation Reveals Some Still Unanswered Questions.**

(By VAN CLEVE.)

Washington, D. C., Jany. 6.—The Jackson day banquet, which will be held in this city Monday night, is regarded as an important event. It marks the beginning of Democratic activities in a national way. It is primarily an anniversary celebration and a good fellowship meeting, but, owing to the great variety of speakers on the program, more than ordinary interest will attach to their utterances. This is emphasized by the fact that the approaching campaign promises nothing short of success, if the proper "team work" is displayed, and this occasion will afford the party managers a considerable insight into the future.

An interesting array of speakers has been secured. In the rather long list will be found the names of William J. Bryan, Oscar Underwood, William R. Hearst, Alton B. Parker, Woodrow Wilson, Champ Clark, Joseph W. Folk, Senators Kern of Indiana, Pomerene of Ohio, Taylor of Tennessee, Newlands of Nevada and others. Senator O'Gorman of New York will be toastmaster. Governor Harmon of Ohio has declined to attend, presumably to avoid a clash with Bryan. Mr. Underwood has just gotten out from a spell of sickness, with orders from his doctor to make no speeches, and Speaker Clark is now in bed threatened with pneumonia, so it is possible that neither of the three will be on hand. The list represents about every phase of thought within the Democracy, and their views at this particular time are awaited with interest.

The enthusiasm of Democrats generally is evidenced by the great demand for tickets to this function. There have been more than a thousand applications for tickets, notwithstanding the price is $5 per plate. Distinguished leaders outside the list of speakers will be here from every state in the union. Of course, added prominence is given the affair because the national committee also meets here the first of the week to arrange for the next national convention, and many are already on the ground because of that.

More than ordinary interest also is manifested in the meeting of the committee because it is felt that this convention will nominate the next president of the United States, and there are a number of interesting contests on hand as a result. There are also contests on in Pennsylvania and Tennessee for places on the national committee. Colonel Bryan has also hurried back from Jamaica, in order to take part in the deliberations of the committee, and, while he is not a member, it is said he will hold the proxy of the Nebraska member unless his friends persuade him that it would not be in good taste for him to sit in the committee and enter personally into its scrimmages. Some will urge him that he can direct his fights with more dignity and equal effectiveness from the outside through his friends on the committee. According to report he will urge a number of new features in connection with the next convention, among which is a call for a general presidential preference primary to be held in all the states and much interest is felt in his attitude toward the various presidential candidates. Governor Wilson's friends have been claiming a cinch on the Nebraskan's favor, but some one exploded a bomb in the Wilson camp Saturday by producing a letter the governor had written in 1905, urging that the peerless leader be put on the shelf and be gotten rid of for good. Just how Mr. Bryan will take this information is what is bothering the Wilson headquarters, though it is claimed Mr. Bryan has known of the letter for some time and does not regard it as ground for opposition now.

Whether purposely or inadvertently Colonel Bryan has become the storm center. It is realized that his influence, either for or against any candidate, will be potential, and his attitude on the various complications will have a bearing. All are playing for points and sometimes the points are mighty fine. Colonel Bryan has so far manifested no particular favoritism for any of several candidates, but he is not like a man that can keep out of a Democratic fight. In fact, a good many are insisting that he will be a candidate again himself, notwithstanding his frequent denial of any such intentions. They insist that he is playing the same game that Roosevelt is with the Republicans. This is hardly probable. Mr. Bryan has led the fight three times and lost; Roosevelt has not been defeated. Mr. Bryan will therefore look upon the matter differently from the gentleman from Oyster Bay. But whatever their intentions, they both have the politicians of their respective parties doing some tall guessing. They have both been buried politically, but there is always a resurrection morn just before the opening of every campaign, and both emerge from their tombs as lively as ever. The dominant questions now are, "What does Bryan want?" "What does Roosevelt want?" "What are they going to do?" And echo answers, "What?"

## WOOD FOR THE HAULING

**Cold Weather Necessity Donated by a Member While Others Cut and Haul It—Officers Elected.**

At a meeting of the Owls held Tuesday evening a collection of $20 was taken among the members for two distressed members, who had not been members long enough to entitle them to sick benefits, but their conditions were such as to appeal to the Owls. John Grems, Sam Skinner and U. S. Woods were appointed to use this money in buying coal and provisions for them.

Another charitable move by the Owls was the one offered by George B. Baker at the meeting Tuesday. Mr. Baker offered all the surplus trees and trimmings on his farm, east of the city, provided the Owls would cut it, free to any needy members of the Owls who are out of wood. A dozen members volunteered their services to cut the wood, and also six teams were offered to haul it. The volunteer members are to meet at the E. C. Phares lumber yard on Thursday morning at 8 o'clock, and in a body will drive to the Baker farm. Berney Harris, president of the Owls, requests that all distressed members in need of wood see George B. Baker or Frank McClain.

The annual election of officers also took place Tuesday evening, and Berney Harris was re-elected president. The other officers elected were:

Frank Bolin, past president.

John G. Grems, John Borrusch and John Lippman were chosen trustees.

Dr. C. V. Martin and Dr. Wm. Wallis, Jr., were selected as the medical staff.

Four new members were initiated and refreshments were served at the close of the lodge. About 150 members were present.

Friday evening at 5:30 o'clock the local high school basket ball team will meet the fast Lenox, Ia., high school team. The local team has had several contests with Normal teams this season, and with the experience thus gained are hoping to win this, their first, contest of the season with an out-of-town team. A fast game is assured, and it is hoped that the numerous basket ball devotees of the town will turn out in goodly numbers. The admission will be 25 cents, with a special 15-cent rate for high school and Normal students. The line-up for the Maryville high school will probably be: Quinn at center, Staples and Leach forwards, Gray and Gibson guards ,and Strader substitute.

## SHOT AT MR. ENGLE

**MRS. IRVIN OF BURLINGTON JUNCTION WAS REFUSED MONEY.**

## HENRY ENGLE ESCAPED

**Victim a Real Estate Man of the Junction—No Information Issued Against Mrs. Irvin.**

Henry Engle, who is in the real estate business at Burlington Junction, and who is well known over the county, was shot at Tuesday morning in the office of Attorney Jesse F. Robertson, at the Junction, by Mrs. R. D. Irvin, the wife of the transfer and drayman of that town. Mr. Engle was not hit, the shot missing him but a few inches.

As the story goes in the Junction, Mrs. Irvin made a demand on Mr. Engle for some money, in Mr. Robertson's office, and refusing to comply with the request, Mr. Engle rushed to the door on seeing the revolver in Mrs. Irvin's hand. He narrowly escaped the shot and rushed down the stairs to the street.

Mrs. Irvin had the revolver in a handbag which she had with her. She had nothing to say to a representative of this paper Wednesday about the affair. She is about 35 years of age.

No information has been issued against Mrs. Irvin, and it is not known what will be done with the matter. Mr. Engle and Mr. Robertson were in Maryville Tuesday afternoon, but nothing was done about the matter.

There are different versions of the affair at the Junction, and as far as The Democrat-Forum has been able to learn the above are about the facts in the case.

Mrs. John Anderson was critic. One new member, Mrs. T. H. Cook, was taken in during a short business session. After the lesson the hostess served elegant refreshments to her guests. ## DIED FROM WOUND

**MRS. JOHN SHANK UNABLE TO RALLY FROM THE SHOCK.**

## BURIAL IN SUTTON, NEB.

**Funeral Services to Be Thursday Afternoon at Harmony Church—Husband and 7 Children Survive.**

Mrs. John Shank, who was accidentally shot in her home, three and a half miles northwest of Ravenwood, Saturday afternoon, died at 9:25 o'clock Tuesday night.

The account of the accident was given in Monday's Democrat-Forum, and at that time it was thought by her physicians that she would rally from the shock from the amputation that was found necessary, and she showed every evidence of it on Sunday and Monday. However, reaction set in on Tuesday and she suffered great pain until her death. She was unconscious for more than twenty-four hours before her death, and had several convulsions.

The funeral services will be held Thursday afternoon at the home at 1 o'clock, conducted by Rev. C. R. Greene of the Harmony church, east of Maryville. The body will be brought to Maryville in the afternoon and will be taken to Sutton, Clay county, Neb., the former home of Mrs. Shank, for burial.

The accident, as we learned it from Mr. Shank Wednesday, came about in this way: Mrs. Shank was preparing dinner about 1 o'clock Saturday afternoon, and was cooking rabbits that were killed the day previous. Her brother, who was living at the Shank home, had been out hunting Friday and had brought the gun into the house and placed it in one corner of the kitchen, forgetting that the weapon contained one shell. While Mrs. Shank was preparing dinner on Saturday her 8-year-old son took the gun in his arms and tried to show his sister how [illegible] uncle shot rabbits, saying, "This [illegible] rabbits." He is the way Uncle shoots [illegible] was barely able to lift the gun. His 12-year-old sister then took hold of the gun and said: "This is the way Uncle cocks the gun." The little boy pulled the trigger and the contents were discharged. The mother was standing but a few feet from her children, and the shot went into one leg, just below the knee. The screams of the children attracted the attention of Mr. Shank, who was out in a field near by, and he came to the house to find his wife fatally wounded. Dr. Hunterson of Ravenwood was summoned at once, and he called Dr. Vilas Martin of Maryville to his assistance, as amputation was found necessary.

Mrs. Shank was not yet 28 years of age. She was born in Sutton, Neb., April 12, 1884. She is survived by her husband and seven children, the oldest being a girl of 12 years, and the youngest a baby of 13 months. Her father, Peter Nagle, lives at Sutton, Neb., and two brothers, John Nagle at Lincoln, Neb., and Jacob Nagle at Ravenwood.

The family has the sympathy of the entire community in their sorrow. Mrs. Shank was much admired by all who knew her, and the family is one of the best in that neighborhood.

### LICENSE WAS CANCELLED.

**Claude Curtis Writes to Recorder Wray to Have Marriage License Cancelled.**

A marriage license was granted last week to Claude Curtis of Glenwood, Ia., and Miss Neoma Hannah Kier of Modale, Ia., by Recorder Wray, and Mr. Curtis, who was in the city then, said that he and his lady love would be in the city the next day to be married by Squire J. W. Morris. Mr. Morris has been patiently waiting for them for several days, and it looks now as the girl has given Curtis the slip, as he writes to Recorder Wray to cancel the license. The letter to Mr. Wray from Mr. Curtis, with the marriage license, follows:

"You will find enclosed the marriage license I got of you. Will you please cancel same and return the affidavit to me."

Dr. G. A. Nash was summoned to Barnard on professional business Tuesday evening.

### RETURNED FROM ST. LOUIS.

**Mrs. Berney Harris Back From Brother's Funeral—How the Accident Happened.**

Mrs. Berney Harris returned Tuesday night from St. Louis, where she was summoned ten days ago to break the news of her brother's death to her invalid mother, Mrs. B. Scharff.

Mrs. Harris' brother, Sam E. Scharff, a prominent young business and club man of St. Louis, accidentally shot himself at Big Lake, Ark., at 8 o'clock the morning of December 30, while out duck hunting with a party of friends. When Mr. Scharff went to pick up his gun from the bottom of the boat the trigger caught on the corner of an open shell box. He gave the weapon a jerk to free it, when the gun exploded, the entire load going into the right arm and shoulder. The wounded man sank at once to the bottom of the skiff.

The hunting party was eight miles from a railroad and thirty miles from a hospital. The men did all they could to stanch the flow of blood from the wounded man, as the race with death was made. They secured an engine and car after an eight mile drive through the woods and made a record run to Jonesboro, Ark., where Mr. Scharff was placed in St. Bernard's hospital at 4 o'clock in the afternoon, but he had lost so much blood that but little hope of saving his life was entertained.

Mrs. Scharff and her family physician arrived from Memphis several hours after her husband had been taken to the little hospital at Jonesboro, and all night long she kept constant vigil with the physicians, but the end came at 6 o'clock Saturday morning. Mr. Scharff had realized from the first that his condition was serious, and left his business affairs in good order.

Mr. Scharff was 32 years of age and had lived in Memphis ten years. During the Spanish-American war he served in the First Missouri regiment, and went to Cuba and was in several engagements. He was married six years ago, and is survived by his wife and two children. He was a leader in all philanthropic and civic work, was a member of a Masonic lodge in Memphis, the Shrine, the Elks, the Rex club, Young Men's Hebrew association, the B'nai B'rith, and other fraternal and charitable organizations, a charter member and first secretary of the Memphis Zoological society.

**Twentieth Century Club.**

It was not exactly a wake that was held on Tuesday afternoon by the members of the Shakespearean department of the Twentieth Century club, although tea was served with other refreshments by the fair hostess, Miss Mae Corwin. Mrs. C. C. Corwin assisted by Mrs. Scribner Beech, led in a general discussion eulogistic and otherwise of the deeds, misdeeds, life and death of the deceased Macbeth. Quotations from the same were given at roll call, and Mrs. G. B. Holmes, Mrs. O. C. Hanna, Mrs. E. G. Orear, Miss Donna Sisson, Miss Emma Lee Taylor, Miss Mae Corwin and Miss Clara Sturm indulged in reminiscent papers, talks and flights of oratory befitting the occasion. Miss Emma Lee Taylor, as chosen scribe, kept a record of the services, at the conclusion of which Mrs. Anderson Craig offered an impromptu epitaph, commencing, "Good-bye Macbeth. Requisat in Death." The first half year of Shakespearean study was closed. The critic's report of last meeting, compiled by Miss Della Grems, who is ill, was given by Miss Clara Sturm. A "short, sweet and spicy" word drill the current events prepared by Mrs. was led by Miss Emma Lee Taylor, and Ferdinand Townsend, who was out of town, was creditably conducted by Mrs. E. G. Orear. Miss Boyd of Kansas City, guest of Miss Mae Corwin and Miss Donna Sisson, was a visitor The next meeting will be at the home of Mrs. E. G. Orear, instead of Mrs. Berney Harris. Before adjournment some kindly words and a motion relative to the press reporter were offered, but as it "was not her funeral," she declined to report them.

Mrs. Thomas Duke and Mrs. Ada Addison of Arkoe were Maryville visitors Tuesday.

### KEEP THE KIDNEYS WELL.

**Health is Worth Saving, and Some Maryville People Know How to Save It.**

Many Maryville people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers.

The following statement leaves no ground for doubt:

Mrs. W. M. Newman, Chestnut street, Savannah, Mo., says: "Doan's Kidney Pills have been of more benefit to me than any other kidney remedy I have ever used, and in view of this fact, I willingly recommend them. I was caused much suffering from pains in my shoulders, and mornings, on arising, I felt tired and languid. I was also bothered by difficulty with the kidney secretions. Hearing Doan's Kidney Pills highly spoken of, I got a box, and soon after beginning their use I was relieved. Another member of my family has also taken this remedy with satisfactory results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

**Dr. Martin is Better.**

Dr. F. M. Martin is recovering from his illness of pneumonia. He is able to be around the house, but has not yet ventured out of the house.

### GRAY HAIR MEANS AGE.

**Is Your Hair Streaked With Gray?—Simple Remedy Restores Color.**

How often one hears the expression, "She is gray and beginning to look old." It is true that gray hair usually denotes age and is always associated with age. You never hear one referred to as having gray hair and looking young.

The hair is generally the index of age. If your hair is gray, you can't blame your friends for referring to you as looking old. You can't retain a youthful appearance if you allow your hair to grow gray. Many persons of middle age jeopardize their future simply by allowing the gray hair to become manifest. If your hair has become faded or gray, try Wyeth's Sage and Sulphur Hair Remedy a preparation which a chemist by the name of Wyeth devised a few years ago. It is simple, inexpensive and practical, and will banish the gray hairs in a few days. It is also guaranteed to remove dandruff and promote the growth of the hair.

It is a pleasant dressing for the hair, and after using it a few days itching and dryness of the scalp entirely disappear.

Don't neglect your hair. Start using Wyeth's Sage and Sulphur today, and you will be surprised at the quick results.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by all druggists. Special agents, Koch Pharmacy.

**Stanberry Doctor Dead in Oklahoma.**

Dr. J. B. Leake of Stanberry died Monday night in Tologa, Okla., where he was visiting. The body will be brought to Stanberry for interment. Dr. Leake was 54 years old and was a thirty-second degree Scottish Rite Mason.

### AVOID HARSH DRUGS.

**Many Cathartics Tend to Cause Injury to the Bowels.**

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are prompt, soothing, and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless, and colorless. Combined with other well-known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe, purge, nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons, and aged people, as well as for the most hearty person.

They come in three size packages, 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Remember, you can obtain them only at our store—The Rexall Store. The Orear-Henry Drug Co., 113 North Main Street.

### BEATS THE BATHS.

**Flint, Mich., Rheumatic Cure Attracts From Mt. Clemens—Fuss Has Made a Splendid Record in an Exceedingly Short Time.**

Flint, Mich., is becoming famous as the home of a new cure for rheumatism which has been used with such success as to attract attention from all over the country. The new medicine is called "Fuss." T. C. Millard, manufacturer of the remedy, when seen at his residence, 525 Harrison street, Flint, Mich., admitted that the new cure had made a great record in a short time.

"We have had patients come here from Mt. Clemens and other cities where they had failed to get relief," he said, "and the medicine has cured them. Fuss goes to the root of the disease. It operates upon every portion of the body. It dissolves and eliminates the poison from the system; it invigorates the muscles, and limbers the stiffened joints. It acts upon the liver and kidneys, removing from them all irritants, restoring them to perfect health and regularity."

Among the large number of testimonials, Mr. Millard exhibited the following: O. K. Herndon, Maryville, Mo., says: "This may certify that I have taken Fuss for rheumatism and I believe it is the best remedy for this disease in the market today. I have been to Mt. Clemens three times and St. Louis once within the past fifteen years, but did not receive much relief. Last October a friend told me to try Fuss. I have taken three bottles this winter and I am now 100 per cent better than I have been for fifteen years."

For sale by the Koch Pharmacy in Maryville, and all leading druggists or sent prepaid on receipt of $1.00 or six bottles for $5.00. Fuss Remedy Co., Flint, Mich.

# ST. LOUIS FACES WATER FAMINE

Breweries and Laundries Have Shut Down and Hotels Suffer.

STREET CARS MAY HAVE TO QUIT

**Several Thousand Thrown Out of Work Because of Ice Jam at Waterworks Intake—Situation is Serious.**

St. Louis, Jan. 10.—The water famine has become so serious that the Anheuser-Busch and Lemp breweries were forced to shut down, and Chief Young of the police department ordered all patrolmen to notify water users not to waste water on pain of arrest. Many of the larger laundries have shut down and there is a possibility that street car traffic may be suspended and the gas and electric light cut off. Several thousand workers are in forced idleness.

Only two pumps of the six at the Chain of Rocks intake station are working, pumping only 65,000,000 gallons against a consumption of 125,000,000 gallons every 24 hours.

Less than 25,000,000 gallons, only enough to last about six hours, is in the storage basins.

Fully 300 men battled all night with the ice at the Chain of Rocks and won a temporary victory when the intake was cleared and a full complement of pumps turned on. The full capacity of 175,000,000 gallons a day was pumped for a few hours only as the ice closed in again and three pumps were rendered idle.

Edward E. Wall, water commissioner, admitted he did not know whether the ice was clogged at the gate of the intake tower or in the 1,500-foot tunnel connecting it with the shore, but if it is the latter the entire supply may have to be cut off to clear the 7-foot passage.

Mr. Wall is taking personal charge of the situation and is directing a force of 300 men, who are working in three shifts to keep the ice floes from choking up the two remaining pumps on which the people are dependent for a meager water supply.

The most serious side to the waste of water is the danger from fire, particularly in the business district.

Hotels, apartments and schools already have felt the pinch of the water shortage. In several hotels the water supply was cut off above the ground floor while all of them complained. Numerous factories are closed.

At one of the hotels, guests declared there was no water for baths.

At another large storage tanks on the roof hold a six-hour supply, and it was said that the pressure was low in the pipe supplying these tanks. The hotel's own pumping plant was keeping them filled.

## MISSOURI NEGRO WILL BE HUNG

**Mob Chased Him for Murder, But Turned Him Over to Officers for Punishment.**

Chillicothe, Mo., Jan. 10.—Hanging was fixed as the penalty by the jury which found Gordon Kyles, a negro ex-convict, guilty of the murder of John Watts here December 18. Judge A. B. Davis will sentence him. The negro is the first man to be sentenced to hang in Livingstone county.

The quick trial has made the 200 citizens here glad that they did not lynch Kyles the night of the murder. They chased him three miles and cornered him near the dooryard of the man he stabbed. No cause was [illegible] for the murder of Watts, who [illegible] married and had a child. The negro, intoxicated, went to Watts' home and asked to borrow a knife to kill hogs. When it was given him he stabbed Watts.

### Peach Crop Not Lost.

Cassville, Mo., Jan. 10.—Regardless of the claims of orchardists that budded peaches were all killed by the blizzard fruit men here say that, prospects for a crop are good. This claim is based on the fact that the buds are very dry and are in the most dormant stage.

### Slew Wife and Child.

### "SELF CONQUEST" HIS SUBJECT.

**Rev. Miller Preached to a Large Audience at the First Christian Church Tuesday Night.**

The cold weather has not seemed to affect the attendance at the First Christian church revival. The singing was entered into with much spirit by the audience Tuesday night and the interest in the sermon was manifest. Mrs. F. P. Robinson was the soloist at this service, singing the beautiful hymn, "Under His Wings."

Rev. Miller took for his subject "Self Conquest the Greatest Victory." His text was the 32d verse of the 16th chapter of Proverbs—"He that is slow to anger is better than the mighty; and he that ruleth his spirit than he that taketh a city." A man who conquers himself is greater than the general who could conquer the world. Spain was conquered not so much by the power of the United States as by the weakness of sin-cursed Spain. The whole sermon was a plea to men to have dominion over themselves, as God intended them to have. "My kingdom is within you." But men so often nearly live their lives through before they come to know that the kingdom of Heaven is within them, and lose the magnificence of living during the years that count for so much in every man's life. It is never too late to begin this conquest, for it brings its own great reward. But the best time is in youth, before the evil days come or the years draw nigh.

Rev. Miller's subject for Wednesday night is "No Room for Jesus." Mr. H. J. Becker will be the soloist.

Miss Minnie Carmichael of Pickering came to Maryville Tuesday evening to spend a few days with her sister, Mrs. Ernest Alden.

**Ring Off, Please!**

They were seated by the fireside, dreaming of the future, when they would be one—a winsome telephone girl and her fiance. The small talk finally drifted to the question as to who should light the fire in the morning. It was his opinion that it was the wife's place to get up and start the fire, and let the poor, hard worked husband rest.

After this declaration there was silence most profound, but only for the space of a few seconds; then the girls thrust out her finger encircled by a ring, and murmured sweetly but firmly, "Ring off, please; you have connected with the wrong number."—Red Hen.

# NEELEY WINS IN SEVENTH

First Democrat Elected to Congress From District Since 1890.

KANSAS CLARK MEN ARE PLEASED

**Frank H. Martin Defeated by Vote of Over 1,500—Result a Surprise —Balloting Light Throughout District.**

Hutchinson, Kan., Jan. 10.—For the first time since the days of "Sockless Jerry" Simpson, the "Big Seventh" district will send a Democrat to congress. In the special election to elect a successor to the late E. H. Madison, George A. Neeley of Hutchinson, Democrat, was elected by a majority of more than 1,500 votes over Frank H. Martin, the Republican candidate.

The election is considerable of a surprise, as it was less than two years ago that Madison was elected by a majority of 5,000. Mr. Neeley was his opponent.

John M. Kinkle, chairman of the Republican congressional committee, conceded the election of Mr. Neeley at 10 o'clock, placing his majority at 1,200 to 1,500. John Graybill, chairman of the Democratic committee, claims the majority will reach 2,000.

A light vote was cast throughout the district, the bad weather interfering somewhat. Returns from 14 counties out of the 30 received by midnight gave Neeley a majority of 1,425. The remaining 16 counties of the district are small and will not change the result materially.

Barton county, with 600, gave Neeley the largest majority. Other counties report as follows: Edwards, 176; Ford, 100; Kingman, 150; Pawnee, 250; Stafford, 50; Seward, 50; Reno, 150; Stevens, 25.

Martin carried four counties by the following majorities: Finney, 60; Pratt, 10; Rice, 55, and Rush, 10.

Clark Democrats throughout the district are jubilant over the election of Neeley. The convention which nominated Neeley was presided over by Speaker Clark, who spoke in favor of Neeley's candidacy. The Clark Democrats are predicting the speaker will get the Kansas delegation to the national convention. Martin, the Republican candidate, was nominated upon a "progressive" platform after a spirited primary. He was not a radical, however, and all factions of the Republican party joined in supporting him.

The "Big Seventh" district is one of the famous political battle grounds in Kansas. It was here that Populism first flourished, and in the campaign of 1890 the district elected Jerry Simpson, and sent enough Populist members to the state legislature to defeat John J. Ingalls. Simpson was re-elected in 1892. In 1894 he was defeated by Chester I. Long, but defeated Long in 1896. In 1898 Long was re-elected and the district ever since has been regarded a Republican stronghold.

## OREGON LAWS PERMIT BRIBERY

**Circuit Judge Decides Laws of State Protect Official Boodlers.**

Portland, Ore., Jan. 10.—Deciding that under the statutes of Oregon it is no crime for a judge or other public official to solicit bribes, Circuit Judge Morrow dismissed an indictment against Max Cohen, a lawyer of this city.

Cohen was charged with having, while acting as municipal judge, offered to dismiss a charge against Eleanor Maceo, if she would employ an attorney named by Cohen at a fee of $150.

The indictment returned by the grand jury was based upon an alleged affidavit by Eleanor Maceo that Cohen made such offer, but that she replied that she "would see about it."

**Heat Killed Kansas Baby.**

Wichita, Kan., Jan. 10.—Fearing a sudden drop in the temperature, which had been predicted, Mrs. Rafael Navas, wife of a pianist, wrapped her four-months-old daughter in a blanket when she retired and placed her near a hot water radiator. During the night the heat rose and Mrs. Navas heard a cry from her baby, but she did not suspect anything wrong. In the morning she found the infant dead. The room had become overheated.

**Madero Appreciates Aid.**

El Paso, Tex., Jan. 10.—President Madero was so well pleased with the patrol work done by the United States army on the border during the recent Reyes trouble that he has asked permission of the government to give Maj. Charles B. Hagedorn, commanding the battalion of the Twenty-third infantry at Laredo, Tex., a gold watch and to give the officers of the battalion a tour of Mexico.

**No Woman Need be Single.**

# LORIMER TAKES WITNESS STAND

Lays Blame of Hopkins' Defeat on Governor Deneen.

DENIES PAYING FOR ELECTION

**Claims Illinois Governor Continually Suggested That He Could be Elected—Recess Follows Senator's Testimony.**

Washington, Jan. 10.—From the drift of the friendly questioning of his counsel it is inferred that Senator Lorimer expects to accuse Gov. Deneen of Illinois of having been responsible for a political intrigue which defeated former Senator Hopkins. Judge Haney, Lorimer's attorney, put his client through his paces in answering the charges before the congressional committee investigating the accusation that he bought his election.

The blunt question 'Did you ever pay anything to anybody for your election?' was repeated by Judge Haney in ten different forms, evidently framed to cover the same inquiry from every angle or construction. Each time Senator Lorimer turned his face to the committee and replied:

"I never did."

Most of Senator Lorimer's testimony was of conversations with Gov. Deneen about the senatorial election in the Illinois legislature, and he brought out the breach between Deneen and Hopkins.

"When I met Deneen by appointment in January, 1909," he said, "he felt that he had been treated harshly in the state committee meeting by Senator Hopkins, Mayor Busse and Dan Campbell, postmaster of Chicago He felt the fair primary had originated with him, and he did not want to return to the old soap box system. He was afraid Busse would use the Chicago police force to defeat his friends and he felt that if he and I co-operated we would have a majority in the convention and could enforce a fair primary.

"Deneen said it was to the best interests of the people that Hopkins should not be re-elected, and he assured me he would not help him. That was the first time I knew definitely that Deneen was opposed to Hopkins. My own opinion was that he would defeat Hopkins if he could, and we began discussing Deneen's own candidacy."

"Did Gov. Deneen ever suggest that you become a candidate?"

"Frequently. He said I could be elected, but I never took him seriously until all the other candidates had been exhausted. He made the suggestion every time we had a conference."

When Senator Lorimer's testimony reached that stage, a recess was ordered.

McComb City, Miss., Jan. 10.—McComb City, which saw turbulent scenes at the outset of the strike of Illinois Central railroad shopmen in October, was placed under martial law again by orders from Gov. Noel at Jackson. The state troops, which have been on guard here since the inception of the strike, were increased by the arrival of a company from Brookhaven.

The action of Gov. Noel was based on reports that strikers who had evidenced a desire to return to their former employment had been intimidated and threatened with violence.

The Illinois Central railroad division shops are here and several hundred of the employes have been on a strike three months.

# DAILY DEMOCRAT FORUM

(Successor to the Maryville Republican)

VOLUME 2. MARYVILLE, MISSOURI, WEDNESDAY, JAN. 10. 1912 NO. 189.

## 1000 ASKED TO EAT

$5.00 A PLATE DIDN'T KEEP DEMOCRATS AWAY FROM BANQUET.

## 'TEAMWORK' WAS WANTED

**Van Cleve's Interesting Review of the Political Situation Reveals Some Still Unanswered Questions.**

(By VAN CLEVE.)

Washington, D. C., Jany. 6.—The Jackson day banquet, which will be held in this city Monday night, is regarded as an important event. It marks the beginning of Democratic activities in a national way. It is primarily an anniversary celebration and a good fellowship meeting, but, owing to the great variety of speakers on the program, more than ordinary interest will attach to their utterances. This is emphasized by the fact that the approaching campaign promises nothing short of success, if the proper "team work" is displayed, and this occasion will afford the party managers a considerable insight into the future.

An interesting array of speakers has been secured. In the rather long list will be found the names of William J. Bryan, Oscar Underwood, William R. Hearst, Alton B. Parker, Woodrow Wilson, Champ Clark, Joseph W. Folk, Senators Kern of Indiana, Pomerene of Ohio, Taylor of Tennessee, Newlands of Nevada and others. Senator O'Gorman of New York will be toastmaster. Governor Harmon of Ohio has declined to attend, presumably to avoid a clash with Bryan, Mr. Underwood has just gotten out from a spell of sickness, with orders from his doctor to make no speeches, and Speaker Clark is now in bed threatened with pneumonia, so it is possible that neither of the three will be on hand. The list represents about every phase of thought within the Democracy, and their views at this particular time are awaited with interest.

The enthusiasm of Democrats generally is evidenced by the great demand for tickets to this function. There have been more than a thousand applications for tickets, notwithstanding the price is $5 per plate. Distinguished leaders outside the list of speakers will be here from every state in the union. Of course, added prominence is given the affair because the national committee also meets here the first of the week to arrange for the next national convention, and many are already on the ground because of that.

More than ordinary interest also is manifested in the meeting of the committee because it is felt that this convention will nominate the next president of the United States, and there are a number of interesting contests on hand as a result. There are also contests on in Pennsylvania and Tennessee for places on the national committee. Colonel Bryan has also hurried back from Jamaica, in order to take part in the deliberations of the committee, and, while he is not a member, it is said he will hold the proxy of the Nebraska member unless his friends persuade him that it would not be in good taste for him to sit in the committee and enter personally into its scrimmages. Some will urge him that he can direct his fights with more dignity and equal effectiveness from the outside through his friends on the committee. According to report he will urge a number of new features in connection with the next convention, among which is a call for a general presidential preference primary to be held in all the states and much interest is felt in his attitude toward the various presidential candidates. Governor Wilson's friends have been claiming a cinch on the Nebraskan's favor, but some one exploded a bomb in the Wilson camp Saturday by producing a letter the governor had written in 1905, urging that the peerless leader be put on the shelf and be gotten rid of for good. Just how Mr. Bryan will take this information is what is bothering the Wilson headquarters, though it is claimed Mr. Bryan has known of the letter for some time and does not regard it as ground for opposition now.

Whether purposely or inadvertently Colonel Bryan has become the storm center. It is realized that his influence, either for or against any candidate, will be potential, and his attitude on the various complications will have a bearing. All are playing for points and sometimes the points are mighty fine. Colonel Bryan has so far manifested no particular favoritism for any of several candidates, but he is not like a man that can keep out of a Democratic fight. In fact, a good many are insisting that he will be a candidate again himself, notwithstanding his frequent denial of any such intentions. They insist that he is playing the same game that Roosevelt is with the Republicans. This is hardly probable. Mr. Bryan has led the fight three times and lost; Roosevelt has not been defeated. Mr. Bryan will therefore look upon the matter differently from the gentleman from Oyster Bay. But whatever their intentions, they both have the politicians of their respective parties doing some tall guessing. They have both been buried politically, but there is always a resurrection morn just before the opening of every campaign, and both emerge from their tombs as lively as ever. The dominant questions now are, "What does Bryan want?" "What does Roosevelt want?" "What are they going to do?" And echo answers, "What?"

## WOOD FOR THE HAULING

**Cold Weather Necessity Donated by a Member While Others Cut and Haul It—Officers Elected.**

At a meeting of the Owls held Tuesday evening a collection of $20 was taken among the members for two distressed members, who had not been members long enough to entitle them to sick benefits, but their conditions were such as to appeal to the Owls. John Grems, Sam Skinner and U. S. Woods were appointed to use this money in buying coal and provisions for them.

Another charitable move by the Owls was the one offered by George B. Baker at the meeting Tuesday. Mr. Baker offered all the surplus trees and trimmings on his farm, east of the city, provided the Owls would cut it, free to any needy members of the Owls who are out of wood. A dozen members volunteered their services to cut the wood, and also six teams were offered to haul it. The volunteer members are to meet at the E. C. Phares lumber yard on Thursday morning at 8 o'clock, and in a body will drive to the Baker farm. Berney Harris, president of the Owls, requests that all distressed members in need of wood see George B. Baker or Frank McClain.

The annual election of officers also took place Tuesday evening, and Berney Harris was re-elected president. The other officers elected were:

Dr. N. W. Templeton, vice president.
Frank Bolin, past president.

William Herren, sentinel.
Robert Kane, picket.
John G. Grems, John Borrusch and Adolph Lippman were chosen trustees.

Dr. C. V. Martin and Dr. Wm. Wallis, Jr., were selected as the medical staff.

Four new members were initiated and refreshments were served at the close of the lodge. About 150 members were present.

## SHOT AT MR. ENGLE

MRS. IRVIN OF BURLINGTON JUNCTION WAS REFUSED MONEY.

## HENRY ENGLE ESCAPED

**Victim a Real Estate Man of the Junction—No Information Issued Against Mrs. Irvin.**

Henry Engle, who is in the real estate business at Burlington Junction, and who is well known over the county, was shot at Tuesday morning in the office of Attorney Jesse F. Robertson, at the Junction, by Mrs. R. D. Irvin, the wife of the transfer and drayman of that town. Mr. Engle was not hit, the shot missing him but a few inches.

As the story goes in the Junction, Mrs. Irvin made a demand on Mr. Engle for some money, in Mr. Robertson's office, and refusing to comply with the request, Mr. Engle rushed to the door on seeing the revolver in Mrs. Irvin's hand. He narrowly escaped the shot and rushed down the stairs to the street.

Mrs. Irvin had the revolver in a handbag which she had with her. She had nothing to say to a representative of this paper Wednesday about the affair. She is about 35 years of age.

No information has been issued against Mrs. Irvin, and it is not known what will be done with the matter. Mr. Engle and Mr. Robertson were in Maryville Tuesday afternoon, but nothing was done about the matter.

There are different versions of the affair at the Junction, and as far as The Democrat-Forum has been able to learn the above are about the facts in the case.

## DIED FROM WOUND

MRS. JOHN SHANK UNABLE TO RALLY FROM THE SHOCK.

## BURIAL IN SUTTON, NEB.

**Funeral Services to Be Thursday Afternoon at Harmony Church—Husband and 7 Children Survive.**

Mrs. John Shank, who was accidentally shot in her home, three and a half miles northwest of Ravenwood, Saturday afternoon, died at 9:25 o'clock Tuesday night.

The account of the accident was given in Monday's Democrat-Forum, and at that time it was thought by her physicians that she would rally from the shock from the amputation that was found necessary, and she showed every evidence of it on Sunday and Monday. However, reaction set in on Tuesday and she suffered great pain until her death. She was unconscious for more than twenty-four hours before her death, and had several convulsions.

The funeral services will be held Thursday afternoon at the home at 1 o'clock, conducted by Rev. C. R. Greene of the Harmony church, east of Maryville. The body will be brought to Maryville in the afternoon and will be taken to Sutton, Clay county, Neb., the former home of Mrs. Shank, for burial.

The accident, as we learned it from Mr. Shank Wednesday, came about in this way: Mrs. Shank was preparing dinner about 1 o'clock Saturday afternoon, and was cooking rabbits that were killed the day previous. Her brother, who was living at the Shank home, had been out hunting Friday and had brought the gun into the house and placed it in one corner of the kitchen, forgetting that the weapon contained one shell. While Mrs. Shank was preparing dinner on Saturday her 8-year-old son took the gun in his arms and tried to show his sister how his uncle shot rabbits, saying, "This is the way Uncle shoots rabbits." He was barely able to lift the gun. His 12-year-old sister then took hold of the gun and said: "This is the way Uncle cocks the gun." The little boy pulled the trigger and the contents were discharged. The mother was standing but a few feet from her children, and the shot went into one leg, just below the knee. The screams of the children attracted the attention of Mr. Shank, who was out in a field near by, and he came to the house to find his wife fatally wounded. Dr. Hunterson of Ravenwood was summoned at once, and he called Dr. Vilas Martin of Maryville to his assistance, as amputation was found necessary.

Mrs. Shank was not yet 28 years of age. She was born in Sutton, Neb., April 12, 1884. She is survived by her husband and seven children, the oldest being a girl of 12 years, and the youngest a baby of 13 months. Her father, Peter Nagle, lives at Sutton, Neb., and two brothers, John Nagle at Lincoln, Neb., and Jacob Nagle at Ravenwood.

The family has the sympathy of the entire community in their sorrow. Mrs. Shank was much admired by all who knew her, and the family is one of the best in that neighborhood.

### LICENSE WAS CANCELLED.

**Claude Curtis Writes to Recorder Wray to Have Marriage License Cancelled.**

A marriage license was granted last week to Claude Curtis of Glenwood, Ia., and Miss Neoma Hannah Kier of Modale, Ia., by Recorder Wray, and Mr. Curtis, who was in the city then, said that he and his lady love would be in the city the next day to be married by 'Squire J. W. Morris. Mr. Morris has been patiently waiting for them for several days, and it looks now as the girl has given Curtis the slip, as he writes to Recorder Wray to cancel the license. The letter to Mr. Wray from Mr. Curtis, with the marriage license, follows:

"You will find enclosed the marriage license I got of you. Will you please cancel same and return the affidavit to me."

Dr. G. A. Nash was summoned to Barnard on professional business Tuesday evening.

### RETURNED FROM ST. LOUIS.

**Mrs. Berney Harris Back From Brother's Funeral—How the Accident Happened.**

Mrs. Berney Harris returned Tuesday night from St. Louis, where she was summoned ten days ago to break the news of her brother's death to her invalid mother, Mrs. B. Scharff.

Mrs. Harris' brother, Sam E. Scharff, a prominent young business and club man of St. Louis, accidentally shot himself at Big Lake, Ark., at 8 o'clock the morning of December 30, while out duck hunting with a party of friends. When Mr. Scharff went to pick up his gun from the bottom of the boat the trigger caught on the corner of an open shell box. He gave the weapon a jerk to free it, when the gun exploded, the entire load going into the right arm and shoulder. The wounded man sank at once to the bottom of the skiff.

The hunting party was eight miles from a railroad and thirty miles from a hospital. The men did all they could to stanch the flow of blood from the wounded man, as the race with death was made. They secured an engine and car after an eight mile drive through the woods and made a record run to Jonesboro, Ark., where Mr. Scharff was placed in St. Bernard's hospital at 4 o'clock in the afternoon, but he had lost so much blood that but little hope of saving his life was entertained.

Mrs. Scharff and her family physician arrived from Memphis several hours after her husband had been taken to the little hospital at Jonesboro, and all night long she kept constant vigil with the physicians, but the end came at 6 o'clock Saturday morning. Mr. Scharff had realized from the first that his condition was serious, and left his business affairs in good order.

Mr. Scharff was 32 years of age and had lived in Memphis ten years. During the Spanish-American war he served in the First Missouri regiment, and went to Cuba and was in several engagements. He was married six years ago, and is survived by his wife and two children. He was a leader in all philanthropic and civic work, was a member of a Masonic lodge in Memphis, the Shrine, the Elks, the Rex club, Young Men's Hebrew association, the B'nai B'rith, and other fraternal and charitable organizations, a charter member and first secretary of the Memphis Zoological society.

### Will Be Married in Chicago.

Mr. and Mrs. G. W. Hempstead of this city have just received an invitation to the marriage of Mr. Hempstead's niece, Miss Grace Viall, which will take place Wednesday, January 24, the home of the bride's parents, Mr. and Mrs. R. A. Viall, 111730 State street, Chicago. Miss Viall will be married to Mr. Charles Gray, secretary of the Aberdeen-Angus Cattle Association of America. They will be at home in Chicago, where Mr. Gray's offices are. Miss Viall was at the head of the domestic science department of the Agricultural school at Ames, Ia., the past two years, and previous to that was domestic science teacher in the Young Women's colleges at Rockford and Jacksonville, Ill. She has visited in Maryville several times at the home of Mr. and Mrs. Hempstead, and formed many pleasant acquaintances here. She delivered a lecture at the domestic science and corn contest held in Maryville last November, and was one of the judges in the domestic science contest. Mr. Gray is well known to cattle breeders of this section as well as other cattle sections of the country, and has visited Maryville often as the guest of Mr. Omar Catterson and C. D. and Hal T. Hooker.

### Twentieth Century Club.

It was not exactly a wake that was held on Tuesday afternoon by the members of the Shakespearean department of the Twentieth Century club, although tea was served with other refreshments by the fair hostess, Miss Mae Corwin. Mrs. C. C. Corwin assisted by Mrs. Scribner Beech, led in a general discussion eulogistic and otherwise of the deeds, misdeeds, life and death of the deceased Macbeth. Quotations from the same were given at roll call, and Mrs. G. B. Holmes, Mrs. O. C. Hanna, Mrs. E. G. Orear, Miss Donna Sisson, Miss Emma Lee Taylor, Miss Mae Corwin and Miss Clara Sturm indulged in reminiscent papers, talks and flights of oratory befitting the occasion. Miss Emma Lee Taylor, as chosen scribe, kept a record of the services, at the conclusion of which Mrs. Anderson Craig offered an impromptu epitaph, commencing, "Good-bye Macbeth. Requisat in Death." The first half year of Shakespearean study was closed. The critic's report of last meeting, compiled by Miss Della Grems, who is ill, was given by Miss Clara Sturm. A "short, sweet and spicy" word drill the current events prepared by Mrs was led by Miss Emma Lee Taylor, and Ferdinand Townsend, who was out of town, was creditably conducted by Mrs. E. G. Orear. Miss Boyd of Kansas City, guest of Miss Mae Corwin and Miss Donna Sisson, was a visitor The next meeting will be at the home of Mrs. E. G. Orear, instead of Mrs. Berney Harris. Before adjournment some kindly words and a motion relative to the press reporter were offered, but as it "was not her funeral," she declined to report them.

Mrs. Thomas Duke and Mrs. Ada Addison of Arkoe were Maryville visitors Tuesday.

### KEEP THE KIDNEYS WELL.

**Health is Worth Saving, and Some Maryville People Know How to Save It.**

Many Maryville people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers.

The following statement leaves no ground for doubt:

Mrs. W. M. Newman, Chestnut street, Savannah, Mo., says: "Doan's Kidney Pills have been of more benefit to me than any other kidney remedy I have ever used, and in view of this fact, I willingly recommend them. I was caused much suffering from pains in my shoulders, and mornings, on arising, I felt tired and languid. I was also bothered by difficulty with the kidney secretions. Hearing Doan's Kidney Pills highly spoken of, I got a box, and soon after beginning their use I was relieved. Another member of my family has also taken this remedy with satisfactory results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### GRAY HAIR MEANS AGE.

**Is Your Hair Streaked With Gray?—Simple Remedy Restores Color.**

How often one hears the expression, "She is gray and beginning to look old." It is true that gray hair usually denotes age and is always associated with age. You never hear one referred to as having gray hair and looking young.

The hair is generally the index of age. If your hair is gray, you can't blame your friends for referring to you as looking old. You can't retain a youthful appearance if you allow your hair to grow gray. Many persons of middle age jeopardize their future simply by allowing the gray hair to become manifest. If your hair has become faded or gray, try Wyeth's Sage and Sulphur Hair Remedy a preparation which a chemist by the name of Wyeth devised a few years ago. It is simple, inexpensive and practical, and will banish the gray hairs in a few days. It is also guaranteed to remove dandruff and promote the growth of the hair.

It is a pleasant dressing for the hair, and after using it a few days itching and dryness of the scalp entirely disappear.

Don't neglect your hair. Start using Wyeth's Sage and Sulphur today, and you will be surprised at the quick results.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by all druggists. Special agents, Koch Pharmacy.

### Stanberry Doctor Dead in Oklahoma.

Dr. J. B. Leake of Stanberry died Monday night in Tologa, Okla., where he was visiting. The body will be brought to Stanberry for interment. Dr. Leake was 54 years old and was a thirty-second degree Scottish Rite Mason.

### AVOID HARSH DRUGS.

**Many Cathartics Tend to Cause Injury to the Bowels.**

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are prompt, soothing, and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless, and colorless. Combined with other well-known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe, purge, nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons, and aged people, as well as for the most hearty person.

They come in three size packages, 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Remember, you can obtain them only at our store - The Rexall Store. The Orear-Henry Drug Co., 113 North Main Street.

**Flint, Mich., Rheumatic Cure Attracts From Mt. Clemens—Fuss Has Made a Splendid Record in an Exceedingly Short Time.**

Flint, Mich., is becoming famous as the home of a new cure for rheumatism which has been used with such success as to attract attention from all over the country. The new medicine is called "Fuss." T. C. Millard, manufacturer of the remedy, when seen at his residence, 525 Harrison street, Flint, Mich., admitted that the new cure had made a great record in a short time.

"We have had patients come here from Mt. Clemens and other cities where they had failed to get relief," he said, "and the medicine has cured them. Fuss goes to the root of the disease. It operates upon every portion of the body. It dissolves and eliminates the poison from the system; it invigorates the muscles, and limbers the stiffened joints. It acts upon the liver and kidneys, removing from them all irritants, restoring them to perfect health and regularity."

Among the large number of testimonials, Mr. Millard exhibited the following: O. K. Herndon, Maryville, Mo., says: "This may certify that I have taken Fuss for rheumatism and I believe it is the best remedy for this disease in the market today. I have been to Mt. Clemens three times and St. Louis once within the past fifteen years, but did not receive much relief. Last October a friend told me to try Fuss. I have taken three bottles this winter and I am now 100 per cent better than I have been for fifteen years."

## ST. LOUIS FACES WATER FAMINE

Breweries and Laundries Have Shut Down and Hotels Suffer.

STREET CARS MAY HAVE TO QUIT

Several Thousand Thrown Out of Work Because of Ice Jam at Waterworks Intake—Situation is Serious.

St. Louis, Jan. 10.—The water famine has become so serious that the Anheuser-Busch and Lemp breweries were forced to shut down, and Chief Young of the police department ordered all patrolmen to notify water users not to waste water on pain of arrest. Many of the larger laundries have shut down and there is a possibility that street car traffic may be suspended and the gas and electric light cut off. Several thousand workers are in forced idleness.

Only two pumps of the six at the Chain of Rocks intake station are working, pumping only 65,000,000 gallons against a consumption of 125,000,000 gallons every 24 hours.

Less than 25,000,000 gallons, only enough to last about six hours, is in the storage basins.

Fully 300 men battled all night with the ice at the Chain of Rocks and won a temporary victory when the intake was cleared and a full complement of pumps turned on. The full capacity of 175,000,000 gallons a day was pumped for a few hours only as the ice closed in again and three pumps were rendered idle.

Edward E. Wall, water commissioner, admitted he did not know whether the ice was clogged at the gate of the intake tower or in the 1,500-foot tunnel connecting it with the shore, but if it is the latter the entire supply may have to be cut off to clear the 7-foot passage.

Mr. Wall is taking personal charge of the situation and is directing a force of 300 men, who are working in three shifts to keep the ice floes from choking up the two remaining pumps on which the people are dependent for a meager water supply.

The most serious side to the waste of water is the danger from fire, particularly in the business district.

Hotels, apartments and schools already have felt the pinch of the water shortage. In several hotels the water supply was cut off above the ground floor while all of them complained. Numerous factories are closed.

At one of the hotels, guests declared there was no water for baths.

At another large storage tanks on the roof hold a six-hour supply, and it was said that the pressure was low in the pipe supplying these tanks. The hotel's own pumping plant was keeping them filled.

## MISSOURI NEGRO WILL BE HUNG

Mob Chased Him for Murder, But Turned Him Over to Officers for Punishment.

Chillicothe, Mo., Jan. 10.—Hanging was fixed as the penalty by the jury which found Gordon Kyles, a negro ex-convict, guilty of the murder of John Watts here December 18. Judge A. B. Davis will sentence him. The negro is the first man to be sentenced to hang in Livingstone county.

The quick trial has made the 200 citizens here glad that they did not lynch Kyles the night of the murder. They chased him three miles and cornered him near the dooryard of the man he stabbed. No cause was found for the murder of Watts, who was married and had a child. The negro, intoxicated, went to Watts' home and asked to borrow a knife to kill hogs. When it was given him he stabbed Watts.

## MISSOURI CORN PRIZES AWARDED

Loving Cup, Cash and Farm Implements Awarded Winners at Columbia.

Columbia, Mo., Jan. 10.—R. E. Powell of Palmyra, Mo., raised the best ten ears of corn in the state last season. His corn has just been awarded the prize of $200 at the annual state corn show here. Prizes in cash, loving cups and farm implements valued at $3,500 were distributed to the winners. In the young men's class, J. M. Douglass of Shelbina won first prize; H. R. Scott of Clarklo for the best ear of yellow corn; Harvey Jordan of Shelbina for the best ten ears in the boys' class, and E. J. Mahoney of Dexter for the best display of Boone county white corn.

### Peach Crop Not Lost.

Cassville, Mo., Jan. 10.—Regardless of the claims of orchardists that budded peaches were all killed by the blizzard fruit men here say that, prospects for a crop are good. This claim is based on the fact that the buds are very dry and are in the most dormant stage.

### Slew Wife and Child.

Milligan, Neb., Jan. 10.—Peter Bors, a middle aged retired farmer living here, killed his wife and their three-year-old child and then took his own life. The bodies were found by the other five children of Bors on their return from school.

Rev. Miller Preached to a Large Audience at the First Christian Church Tuesday Night.

The cold weather has not seemed to affect the attendance at the First Christian church revival. The singing was entered into with much spirit by the audience Tuesday night and the interest in the sermon was manifest. Mrs. F. P. Robinson was the soloist at this service, singing the beautiful hymn, "Under His Wings."

Rev. Miller took for his subject "Self Conquest the Greatest Victory." His text was the 32d verse of the 16th chapter of Proverbs—"He that is slow to anger is better than the mighty; and he that ruleth his spirit than he that taketh a city." A man who conquers himself is greater than the general who could conquer the world. Spain was conquered not so much by the power of the United States as by the weakness of sin-cursed Spain. The whole sermon was a plea to men to have dominion over themselves, as God intended them to have. "My kingdom is within you." But men so often nearly live their lives through before they come to know that the kingdom of Heaven is within them, and lose the magnificence of living during t hb years that count for so much in every man's life. It is never too late to begin this conquest, for it brings its own great reward. But the best time is in youth, before the evil days come or the years draw nigh.

Rev. Miller's subject for Wednesday night is "No Room for Jesus." Mr. H. J. Becker will be the soloist.

### Ring Off, Please!

They were seated by the fireside, dreaming of the future, when they would be one—a winsome telephone girl and her fiance. The small talk finally drifted to the question as to who should light the fire in the morning. It was his opinion that it was the wife's place to get up and start the fire, and let the poor, hard worked husband rest.

After this declaration there was silence most profound, but only for the space of a few seconds; then the girls thrust out her finger encircled by a ring, and murmured sweetly but firmly, "Ring off, please; you have connected with the wrong number."—Red Hen.

# NEELEY WINS IN SEVENTH

First Democrat Elected to Congress From District Since 1890.

## KANSAS CLARK MEN ARE PLEASED

Frank H. Martin Defeated by Vote of Over 1,500—Result a Surprise —Balloting Light Throughout District.

Hutchinson, Kan., Jan. 10.—For the first time since the days of "Sockless Jerry" Simpson, the "Big Seventh" district will send a Democrat to congress. In the special election to elect a successor to the late E. H. Madison, George A. Neeley of Hutchinson, Democrat, was elected by a majority of more than 1,500 votes over Frank H. Martin, the Republican candidate.

The election is considerable of a surprise, as it was less than two years ago that Madison was elected by a majority of 5,000. Mr. Neeley was his opponent.

John M. Kinkle, chairman of the Republican congressional committee, conceded the election of Mr. Neeley at 10 o'clock, placing his majority at 1,200 to 1,500. John Graybill, chairman of the Democratic committee, claims the majority will reach 2,000.

A light vote was cast throughout the district, the bad weather interfering somewhat. Returns from 14 counties out of the 30 received by midnight gave Neeley a majority of 1,425. The remaining 16 counties of the district are small and will not change the result materially.

Barton county, with 600, gave Neeley the largest majority. Other counties report as follows: Edwards, 176; Ford, 100; Kingman, 150; Pawnee, 250; Stafford, 50; Seward, 50; Reno, 150; Stevens, 25.

Martin carried four counties by the following majorities: Finney, 60; Pratt, 10; Rice, 55, and Rush, 10.

Clark Democrats throughout the district are jubilant over the election of Neeley. The convention which nominated Neeley was presided over by Speaker Clark, who spoke in favor of Neeley's candidacy. The Clark Democrats are predicting the speaker will get the Kansas delegation to the national convention. Martin, the Republican candidate, was nominated upon a "progressive" platform after a spirited primary. He was not a radical, however, and all factions of the Republican party joined in supporting him.

The "Big Seventh" district is one of the famous political battle grounds in Kansas. It was here that Populism first flourished, and in the campaign of 1890 the district elected Jerry Simpson, and sent enough Populist members to the state legislature to defeat John J. Ingalls. Simpson was re-elected in 1892. In 1894 he was defeated by Chester I. Long, but defeated Long in 1896. In 1898 Long was re-elected and the district ever since has been regarded a Republican stronghold.

Portland, Ore., Jan. 10.—Deciding that under the statutes of Oregon it is no crime for a judge or other public official to solicit bribes, Circuit Judge Morrow dismissed an indictment against Max Cohen, a lawyer of this city.

The indictment returned by the grand jury was based upon an alleged affidavit by Eleanor Maceo that Cohen made such offer, but that she replied that she "would see about it."

# LORIMER TAKES WITNESS STAND

Lays Blame of Hopkins' Defeat on Governor Deneen.

## DENIES PAYING FOR ELECTION

Claims Illinois Governor Continually Suggested That He Could be Elected—Recess Follows Senator's Testimony.

Washington, Jan. 10.—From the drift of the friendly questioning of his counsel it is inferred that Senator Lorimer expects to accuse Gov. Deneen of Illinois of having been responsible for a political intrigue which defeated former Senator Hopkins. Judge Haney, Lorimer's attorney, put his client through his paces in answering the charges before the congressional committee investigating the accusation that he bought his election.

The blunt question 'Did you ever pay anything to anybody for your election?' was repeated by Judge Haney in ten different forms, evidently framed to cover the same inquiry from every angle or construction. Each time Senator Lorimer turned his face to the committee and replied:

"I never did."

Most of Senator Lorimer's testimony was of conversations with Gov. Deneen about the senatorial election in the Illinois legislature, and he brought out the breach between Deneen and Hopkins.

"When I met Deneen by appointment in January, 1909," he said, "he felt that he had been treated harshly in the state committee meeting by Senator Hopkins, Mayor Busse and Dan Campbell, postmaster of Chicago He felt the fair primary had originated with him, and he did not want to return to the old soap box system. He was afraid Busse would use the Chicago police force to defeat his friends and he felt that if he and I co-operated we would have a majority in the convention and could enforce a fair primary.

"Deneen said it was to the best interests of the people that Hopkins should not be re-elected, and he assured me he would not help him. That was the first time I knew definitely that Deneen was opposed to Hopkins. My own opinion was that he would defeat Hopkins if he could, and we began discussing Deneen's own candidacy."

"Did Gov. Deneen ever suggest that you become a candidate?"

"Frequently. He said I could be elected, but I never took him seriously until all the other candidates had been exhausted. He made the suggestion every time we had a conference."

When Senator Lorimer's testimony reached that stage, a recess was ordered.
